## **Interactive Television (ITV):**

**Interactive Television courses are broadcast live from the delivering institution. You watch the class on television and talk to the instructor during televised class time by utilizing microphones and the ITV studio.**

## **Online Instruction (Internet):**

**Online Instruction is delivered through the Internet. You need a computer with Internet access as well as a printer. You can log-on at your own convenience and work at your own pace. You may work at home, at your work site, or use the computer labs at the Learn Center. If necessary the Learn Center staff can proctor tests for you at no charge.**

## **On-site instruction:**

**Some institutions have chosen to provide On-site Instruction. In these cases, faculty members from the institution come to Perry to deliver the instruction. You come to the Learn Center at Perry to take the class.**
